

KHANN III

Press release  
Aerodynamic kit KHANN ver. HRS Sport for Lexus LX

KHANN Team presents you a new aerodynamic kit for Lexus LX - ver. HRS Sport, which is shaping the eye stunning design into clear and aggressive shape. The main part of the HRS Sport kit is the high tech front bumper made of carbon.

This bumper is made manually by KHANN masters in limited series of 25 bumpers in 2021.

Overwhelming exterior look adds some charisma to the SUV image.

Deep detailing & elements level are stopping all eyes.
