

PRESS RELEASE

**TOYOTA RAV4 KHANN ver. HRS Sport**

**KHANN** |||

**We are glad to present  
new Aerodynamic kit  
ver. HRS SPORT  
for Toyota RAV4**

Style and technology of new model are highlighted with a front bumper with a new radiator grill, with optional LED day running lights and rear bumper with twin tips double sided exhaust.

Additionally one can order spoilers for upper side & lower side of the rear window, which will finalize the athletic silhouette and sporty aesthetics of SUV.

New stylish kit for Toyota RAV4 from KHANN will make your car attractive!
